BEAT THE HEAT! HOT WEATHER TIPS FOR PET OWNERS

Heartland Humane Society wants to give you some tips to keep your pets cool during the heat:

- Keep water bowls full of cool, fresh water and leave them in shaded areas.
- Provide shaded areas for pets to rest in.
- Utilize a "kiddy pool" or misting hose for dogs to cool off in.
- Exercise in the cool of the morning or at dusk – not during the heat of the day
- Do not leave pets unattended outside when it gets hot – bring pets inside.
- Cars can quickly heat up to 120 degrees even with the windows cracked- leave your pets at home when you run errands
- The sun can heat up metal truck beds and sidewalks and burn your

pet's paw pads- A good test is to hold the back of your hand to the surface; if you can't keep it there for more than 5 seconds it is too hot for your pet!

- Light-colored pets or those with thin hair can get sunburned- check with your veterinarian about applying sun screen to protect them.

If you see a pet locked in a vehicle in warm

weather or suspect an emergency situation has developed, contact the pet's owner if possible or call the appropriate law enforcement:

**Corvallis Police
Department and
Animal Control
541-766-6924**

**Benton County
Animal Control
541-766-6789**

**Benton County
Sheriff's Office
541-766-6858**

HOMES NEEDED

Meet Blazer - Hi there, my name is Blazer. I'm a beautiful Siberian Husky mix. I'm just about the perfect age, at 5 years old-- I've outgrown my puppy phase, but I still have plenty of energy left to run and play with my new family!

Meet Smokey - I am a 6 year old grey spayed female with beautiful eyes. I'm just plain good company. If you are looking for a steady companion, look no further!
