Lebanon High School

Sophia Vitali

What are your parent's names? Mother: Deanna Vitali, Father: Dominic Vitali
What sports or clubs etc. do you participate in? I am on the LHS Dance team, Honor Society, and am part of Girl Scouts. What are your hobbies outside of school? I love dancing and sewing as fun hobbies. Along with helping the community and volunteering on a regular basis. Where would you like to attend college? For colleges in Oregon, I would like to attend OSU or Western University. And for outside of state, I would like to attend the University of Washington, Ohio State University, or University of Las Vegas, Nevada. What would you like to study at college or what are your plans after high school? I would like to go to college to become a nurse. My plan is to go to college and medical school to obtain my BSN for nursing and become a RN. And I would also like to be able to get certifications after becoming a nurse to be able to specialize in Prenatal care. Hoping to become a RN Nurse or a Prenatal Care Nurse after completing college.

Lebanon High School

Melanie Wilder

What are your parent's names? Brandy and Landon Sumpter
What sports or clubs etc. do you participate in? JROTC air rifle team and JROTC drill team. What are your hobbies outside of school? I like to write and I also make bracelets. Where would you like to attend college? Byu Idaho. What would you like to study at college or what are your plans after high school? Psychology

Allison Gilliam

East Linn Christian

My parents, Robby and Sara Gilliam, have blessed me with the opportunity to attend East Linn Christian for the last 6 years. I play with our varsity volleyball team and am the team manager for the girls basketball and girls softball programs. I serve on the yearbook staff as well as our student council as the Social Chair. I love to be involved in things and will jump at any opportunity! When I'm not doing those things, I love photography or watching college volleyball! I have not decided on a specific college yet but I would like to pursue a career in the medical field out of the state. I have been diligently looking into pursuing a career as an ultrasound technician or registered nurse and eventually get into nursing management.
