Lebanon High School

Callie Steinhebel

My parents' names are Michelle and Jon Steinhebel. I am a captain of the LHS Explosion Dance Team and participate in the LHS theater as an actress. My hobbies outside of school include spending time with my family and friends, baking, and reading extensively. I am still deciding where to attend college, but as of now, I plan to dual-enroll at LBCC and OSU for my bachelor's degree. I am interested in studying nursing and psychology. I plan to either become a mental health counselor or a nurse!

Lebanon High School

Joey Squires

My parents' names are Tami and Nick Squires. I play Soccer, Basketball, and Golf. I like to play video games and go on runs. I would like to attend either The University of Oregon Ducks or Duke University. I would like to go into college for marketing and take real estate classes while there then after go into real estate.

East Linn Christian

Kai Wallace

My name is Kai Wallace. My parents, Harry and Kresta Wallace, have given me the amazing opportunity to attend East Linn Christian. This is my fifth year at East Linn. I am on the Varsity Volleyball team and I lead our Middle School and High Schools chapels on Mondays. I am a member of our ASB team at East Linn and a member of our Worship and Leadership team. Outside of school I play Club Volleyball and I love to hang out with my family, friends, and my four dogs. I'm not quite set on a certain college yet, but I'm looking to major in kinesiology. This year I have been steadily working towards making the right decisions for my future.
