FEATURED DOGS:

MEET THAI

Thai is an uncommonly striking mixed breed dog with a regal disposition. She is approximately 8.5 years old, in good health, 83 lbs. Thai's personality is low-key. She is affectionate and people-oriented, but does not demand attention. See Thai's full profile at: www.petfinder.com/dog/thai-42664702/or/philomath/senior-dog-rescue-of-oregon-or85/

MEET WYLIE

My name is **Wylie** and I'm a purebred Yorkie. I am a spunky 10 year old. I was raised on a farm with my brothers and sisters. Now that I'm living in a home, I'm quiet and calm and get along with the other small dogs. MEET SOPHIE

I am **Sophie** and I'd like to tell my story. My foster adores me. If you are interested in adopting Sophie, please call Karla at 503-779-4999 and leave a message. Please do not contact Senior Dog Rescue about Sophie. Senior Pet Care

In my last copy of Senior Dog Rescue reporting I wrote about possible health issues that may affect older dogs, with arthritis being one. Aside from using a non-steroidal anti-inflammatory for treatment, keeping weight off the pup is a must. Therein lies one of the joys of owning a senior dog, taking the furry creature for long walks. Obviously this not only benefits the pup but the owner as well since exercise is good for all. Even when the weather is chilly with some rain, go ahead and hit the bricks. That said, pay attention to your four legged friend so as to not overdue it, causing exacerbation of any arthritic issues. So, enjoy the New Year with your pal with long walks benefitting both of you. To get a head start, visit Petco Senior Dog Adoption Day, Saturday January 5, 11 a.m. - 1:30 p.m.
