Tamara Scoville

"Both my parents were on hospice for three to four months of amazing services through Lumina. It made the end of their lives so much better for them and for me. It freed up my time so that I could focus on them, to love them and enjoy a higher quality of life together."

Call today to see how Lumina can help you.

Lumina
Hospice & Palliative Care

Founded as **Benton Hospice Service** in 1980
