THE BEST OF THE DERRY NEWS

These are the favorites, the top picks from our readers as to the best places to go for a quick meal, a haircut, a beer, wine, massage or community banking.

These are the top choices for those wanting to spend quiet time among some scenic sites while enjoying the rich history of the area.

What's the top hamburger? The best eye doctor? Or who made the list for best lawyer, dentist or baker?

Derry News readers spoke and chose a long list of businesses, organizations and locations that make this area special, and now

claiming the top prize in this summer's Best of the Derry News contest.

We thank everyone for their votes and appreciate all the input and thought given to picking those top choices in the area.

For those who took the top votes, we congratulate you for jobs well done, continued community support when times are often challenging and for what you all do to make our communities special.

Here are the winners in the Best of the Derry News contest and congratulations!

Pets Plus

Top Quality Products:

"Because a healthy pet is a happy pet"

WE OFFER A 100% PET FOOD GUARANTEE!

For any reason you or your buddy are unsatisfied. We will gladly exchange the food. See store for more details.

We developed our ESA service to provide success.

What is ESA?

EDUCATION

E Pets Plus offers the highest quality products in the pet trade. We will educate you on the proper dog and cat nutrition.

WITH PROPER NUTRITION WE CAN SOLVE:

- licking feet
- ear infections
- regurgitating
- kidney disease
- dental
- excessive shedding
- hot spots
- obesity
- loose stools
- and more!!!

SELECTION

Pets Plus offers a HUGE variety of top quality pet foods. Pets

Plus takes the time to be informed of pet foods. Over 20 years pet food experience! We all share great compassion for your pet and want to have a QUALITY SELECTION.

ACCLIMATION

Our friends need to know how to properly acclimate your buddy to healthier or alternative foods. We have MANY products to help transition your buddy to a great food! Remember to always transition slow. 90% old food 10% new food and as long as everything is going smooth slowly increase new food by 10%.
