

THE WHITE HOUSE

WASHINGTON

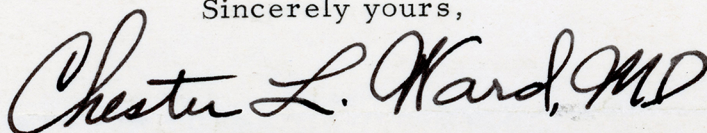

April 1, 1975

Dear Mr. Hall:

Please accept our deepest appreciation for providing your especially outstanding mobile intensive care unit to stand by at Meadows Field during President Ford's arrival and departure with Air Force One on Monday, March 31, 1975. It was comforting to know that if the President or anyone accompanying him during their visit to Bakersfield had needed care, there was a vehicle available as well equipped and manned from the Hall Ambulance Company. Extend our gratitude also to the able and dedicated personnel who manned your fine ambulance during the President's successful visit to Kern County.

Again, thank you for your assistance.

Sincerely yours,
