This recall is for the Office of Sheriff of Greenlee County. The job of the sheriff is to honor and protect the county in which he serves. When Mr. Sumner was elected, he preached to the community about accountability, integrity and transparency in law enforcement. Mr. Sumner has repeatedly displayed his lack of integrity, he does not show professionalism or honesty to the citizens of our county. He has broken the law while in office and instead of trying to right his mistakes, he asks to have things removed such as GPS units. A county sheriff should spend his time protecting and serving his people rather than keeping them at arm's length. I believe that Mr. Sumner knows where the main drug issue is coming from and refuses to correct it which is not protecting the rest of his citizens. The failure to protect this county from his behavior more than warrants Mr. Sumners removal from office and the pursuit for someone with integrity that he has promised our county.
