Welcome to the 27th Anniversary of the Haverhill's Best publication. Before we dive into the results we wanted to take a moment to thank the thousands of readers who took the time to participate in our poll. Without all of you, this would just another one of THOSE surveys instead of what it is . . . a celebration of our amazing City of Haverhill!

Every year, the Haverhill Gazette asks their readers to acknowledge the best businesses, places, and people in the Greater Haverhill area. It has grown from a fun local polling to an annual event in which thousands of you voice your opinions and the very best are recognized. The city is growing and THIS is our annual moment to celebrate new and long established restaurants, retail shops, event and even our community leaders.

Over the past 27 years, Haverhill has grown into a true destination place with a thriving restaurant scene, events that draw thousands, and people who spend a great deal of their own time making the city even better. Whatever your palate; Italian, Tex-Mex, or just a great pizza, you will find it here. If you enjoy a big musical event, wonderful holiday events, or even an outdoor dining event for an amazing cause, you will find it here. And if you are looking for a community that is diverse, welcoming, and still growing, you will find it here.

We hope that this year section will be a guide to all of the best that Haverhill has to offer. You will find profiles of the top ten restaurants and acknowledgement of over forty establishments. Also, details about the best events and the best places to go, and literally hundreds of reasons to explore our city. When you do visit any of the restaurants or businesses being acknowledged or bump into any people being recognized, please congratulate them. The competition in most categories is fierce, so they have truly earned this acknowledgement.

[www.josephstrattoria.com](http://www.josephstrattoria.com)

Joseph's Trattoria has been a family owned and operated, trattoria style restaurant for over 28 years. Prior to opening the restaurant, the family owned several bakeries and a pasta company. They have been in the food industry for over 40 years! Joseph's prides themselves in serving the very highest quality food available in a comfortable, warm and inviting environment. Their goal is to provide the very freshest, best quality, best tasting food available at reasonable prices with impeccable service that keeps their guests coming back. The new location, in Downtown Haverhill, has two dining rooms and two full bars, with an open kitchen concept, large wooden beams and exposed brick throughout the space making for a more modern look, yet still a warm and welcoming feel. It is the same great Joseph's that's won best restaurant in Haverhill 3 years in a row (now four!) but with some new added flare, such as live music every Wednesday night, and creative, inspired craft cocktails, such as a Smoked Old Fashioned with house infused fig bourbon and an Amalfi Gintonica with house made Limoncello.. Their menu still has everyone's favorite dishes such as Lobster Ravioli, Bolognese, Pollo con Limone and Pollo Ripieno but with some great new favorites, such as the new Meatball Flight appetizer featuring house-made veal, pork and beef meatballs served in three delicious sauces and an apricot orange liqueur glazed Statler chicken breast. We look forward to seeing you at Joseph's Trattoria Downtown!

[SolidSlice.net](http://SolidSlice.net)

When the whole essence of your being revolves around pizza every day, it is inevitable that passion turns into a colossal obsession. Chef and Owner Matt of the Solid Slice Pizzeria & Pub can attest he eats, breaths, and dreams about pizza. Matt launched into a dedicated creation quest to develop a "solid" slice of pizza!

Josephs

Working his way up in his family's restaurants to eventually become the Head Chef, Matt discovered one of his absolute favorite things was when customers complimented him on his food being "the best they ever had" and what a huge appreciative high that was to him. He strives to bring love into the food he cooks. "Cooking is a passion, not a job"

AZUL food

Matt gets his love of cooking from his mother Sue, his business partner of the Solid Slice.

**The 911 Memorial at the Haverhill Firefighting Museum**

## **The Dustin-Dustin House** [dustondustingarrisonhouse.org](http://dustondustingarrisonhouse.org)

This brick and mortar structure (often referred to as the Hannah Dustin House) was built during 1697 as a garrison, created to protect the early American colonists from threat of attack by the northern Abenaki natives. It is recognized as an example of First Period architecture. This garrison, manned by local militia, was one of six located in Haverhill and the only one constructed of local bricks; the others were built by using imported bricks. Thomas Duston of Kittery, Maine, the husband of Hannah Emerson Duston, who became known for her story of captivity during the construction of this garrison, was a well-respected, brick maker and mason. Due to the skilled craftsmanship of Thomas and local carpenters, this building remains standing

over 320 years later, with stories to tell of life in early America.

## **Haverhill Firefighting Museum** [haverhillfirefightingmuseum.org](http://haverhillfirefightingmuseum.org)

Established in 2003, the Haverhill Firefighting Museum houses an extensive collection of firefighting memorabilia, apparatus and antique fire trucks. Educational and fun field trips can be scheduled for visitors of all ages, stop in for a guided tour or just to explore on your own. Mini fire safety program sessions are offered for visitors during our open season, and you can contact us to adopt-a-hydrant' at any time year-round.

## **911 Memorial at the Firefighting Museum**

Glass, Metal, Stone... Fused, Forged, Fired... are the primary elements in the Memorial Sculpture "Clambering Upward" in honor of the 411 First Responders who lost their lives on that tragic day September 11, 2001. This work of public, remembrance

art is to honor and commemorate these 411 souls in a quiet, contemplative and reverential way with the elements of glass, metal and stone. To glint in the sun and be illuminated under the night sky as we pause and are reminded to "NEVER FORGET".

## **The Whittier Birthplace** [www.johngreenleafwhittier.com](http://www.johngreenleafwhittier.com)

In 1688, in a small pleasant valley under the shoulder of Job's Hill, Thomas Whittier built the house which was to be the Whittier family home. The family lived there for five generations, and it was the Birthplace of the Quaker Poet and Abolitionist John Greenleaf Whittier on December 17, 1807.

The Whittier Birthplace, located on its original site, is an outstanding example of an old New England farm. It is substantially the same as when the Poet lived there from 1807 to 1836. The Birthplace is the setting of his most famous and beloved poem Snow-Bound. Many settings from his poems are recognizable to those who have read them.

## **The Museum of Printing** [museumofprinting.org](http://museumofprinting.org)

The Museum of Printing is dedicated to preserving the history of printing, graphic arts, and typography while showcasing their continuing influence on our culture. In addition to many special collections and small exhibits, the Museum contains hundreds of antique printing, typesetting, and bindery machines, as well as a library of books and printing-related documents. The history of printing has changed dramatically during the last 200 years, moving away from letterpress printing to photographic and electronic technologies. We tell the stories of these changes using one of the world's largest collections of printing and typesetting hardware and ephemera.

The Museum's building contains a store, several galleries, two libraries, and meeting and workshop areas.

The Main Gallery contains printing presses of all kinds. There are also two art galleries with rotating exhibits.

The North Shore Realty Group - eXp Realty LLC

Haverhill has always been home to my husband and me, and now it's home to our daughter, too. We have always loved this city, and that's what makes this award so special to all three of us.

To my clients, who so often become dear friends, thank you for trusting me during one of the most personal transitions of your lives. That trust means everything to me.

I truly love what I do. I love watching you begin new chapters, supporting you through the highs and lows of a move, and helping you find a place to call home. I look forward to continuing to provide every client with the same level of care that has brought me here.

When you choose me, you also choose my family. From the bottom of our hearts, thank you for choosing us. With Love,  
Justine, Matt and Annie
