SENIOR TELETOHN

Every year, Methuen High holds the senior telethon to raise money for various scholarships. All grades are welcome to participate through doing performances, and it is televised through the district youtube channel. As the performances are happening, students call members of the community and ask them to donate money and receive calls to bid on baskets that are provided by the community.

Senior trip: New York

One of the trips for the seniors is traveling to New York City. On the trip, students visited NYrise, an interactive museum that allows people to see the iconic features of New York City and explore the city's history. Then, students walked to Madame Tussauds: The World's Greatest Wax Museum, where they could pose and meet their favorite artist, characters, and political figures. Lastly, students dined at Planet Hollywood in time square.

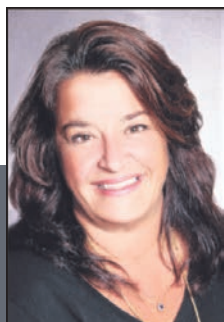

Valerie Abrego, Alexa Buonagurio, Alexis Phillips, Sean Sullivan, and Kellen St.Marie are all smiles as they walk around Time Square.
