Congratulations People's Choice Winners & First Runners Up

It's hard to believe we are about to close the first quarter of 2022 and even harder to believe we are announcing the annual winners of our 2022 People's Choice Contest! All of us here at the Effingham Daily News would like to thank the thousands of readers who took the time to go online and vote for their favorite business or individual. And a big congratulations to the winner and first runner up in each category.

I'm sure that my staff will agree that one of our favorite things to do during the year is deliver the People's Choice plaques to the winners. The smiles, the hugs, and the thank yous are so worth it. But even more so is how humbled the winners are when told they won the award. It just makes us so proud to be able to assist them with their ads throughout the year and that they are genuinely so thankful for what we do for them.

Our nation and community continues to face an unprecedented event of which we've not experienced before in our lifetime. We are so proud of how our community and businesses have come together to help others and even more proud of the positive attitudes we've witnessed. We know that this will be very hard on many businesses in our area. Therefore, we encourage our readers to continue to support their local businesses, no matter if they were voted #1, because they all contribute so much to our economy and

our community, providing employment and supporting local schools and non-profit organizations to name a few. Together we will get through

this. We are confident of that. How do we know? Every business and the people who support it are winners in our eyes.
