# Letter from 2025 Chair

## Welcome to the Yadkin Valley Chamber of Commerce

Welcome to the Yadkin Valley Chamber of Commerce! As the 2026 board chair I want to share a few of my thoughts with you here as you peruse our directory. When I told my son I was going to be the board chairman in 2026 he asked “Dad, what is a chamber of commerce and why are you part of it?” Here are my answers.

What is a chamber of commerce? A chamber of commerce is a non-profit organization of area businesses and community members that have shared interests. These interests are tied to advocating for the local business community, increasing awareness of businesses through events, networking opportunities, promotion and advertising, and members partnering together to work towards the betterment of the local community and economy. In simple terms, the Yadkin Valley Chamber of Commerce is a bunch of people who want to help our area be the best it can be in every way. If you turn forward in the directory you will see the mission statement for our chamber of commerce, as well as some specific benefits for those who join.

Maybe you’re a business owner who has thought about joining a chamber but you’ve heard people say they belonged to a chamber and dropped out. They never got anything out of it and the chamber was always asking them to do stuff. I believe that is 100% accurate. What

you get out of anything is directly proportional to what you put in. If you choose to join our chamber think of your membership fee like an entrance fee to a theme park; it gets you in the gate. You’ll have a lot more fun if you ride the rides than sit on the bench for the duration of your visit. The substantial benefits of chamber membership don’t come from joining, they come from getting involved.

As your 2026 board chair I want us to have a vibrant chamber; people that not only want to be successful, they understand that you become successful by contributing to the success of others and the betterment of the greater community. If you join the chamber, attend events, bring ideas to the table, and legitimately care about and support our local businesses, non-profits, and community partners you will find an army of people who want to partner with you to grow together. Years of experience have shown me the connections and friendships you build are not only good for your business, they enrich your life. This is why I am an active part of our chamber.

If you’re reading this as a guest to our area, or a local individual wanting to know more about our business community, I hope you find our directory packed full of useful information. Please consider calling or visiting those listed in these pages to get to know the people who make our chamber so great. Lastly, if you have a business and would like to partner with us, please reach out. Welcome to our chamber and may God bless you in 2026 and beyond!

*Aaron Misenheimer*

## Mission Statement

The Yadkin Valley Chamber of Commerce is a dynamic organization dedicated to promoting a positive business environment, encouraging community betterment, and supporting sustainable economic development throughout the Yadkin Valley.

## Member Benefits

Membership in the Yadkin Valley Chamber of Commerce provides valuable exposure, resources, and opportunities to grow your business:

- **Directory & Online Exposure**

Members are listed in our annual Chamber Directory & Visitor Guide and on our website at [www.yadkinvalley.org](http://www.yadkinvalley.org). Over 1,500 copies of these publications are distributed each year.

- **Website & Referrals**

Our website receives 750+ visits per month from individuals searching for local goods and services. We also receive daily calls requesting business recommendations—and we proudly recommend active Chamber members first.

- **Marketing & Communication Tools**

Members have access to Chamber mailing lists/labels and monthly email blasts at no additional cost, helping you reach fellow members and the community.

- **New Member Incentives**

New businesses or new owners operating for less than two years receive a reduced membership fee and a complimentary ¼-page advertisement in The Elkin Tribune during their first year of membership.

- **Facility Use**

Chamber members may reserve our large board room, small board room, lobby, and parking lot at no cost for meetings and events.

- **Business Support & Promotion**

The Chamber assists with and promotes grand openings, ribbon cuttings, celebrations, Business After Hours events, and Lunch & Learns.

- **Networking & Events**

Members and their spouse or guest are invited to all Chamber networking events, including social gatherings and our Annual Awards & Installation Banquet.

- **Community Impact**

Your membership helps the Chamber bring more than 20,000 visitors to the Yadkin Valley each year through signature events such as the Wine Festival, Carnival, Pumpkin Festival, and Yadkin Valley Christmas Parade.

## Thriving in Yadkin Valley with the Chamber of Commerce

Written by Denise A. Cordova  
Yadkin Valley Volunteer

The Yadkin Valley Chamber of Commerce (YVCC) was established September 1, 1987 to cultivate the improvement of business. Today the YVCC has grown into an organization with a whole community approach to improve the business climate and the quality of life in the Yadkin Valley area. The "YVCC" has other names as well, such as "The Heritage Center" and the "Visitor Center". This vision came to fruition with a multi partnership approach between the Town of Elkin, YVCC and other community leaders. The facility, located at 257 Standard St in Elkin, serves the community as a visitor center, event center and provides meeting rooms for use by organizations and individuals. Chamber membership includes meeting room access.

The Yadkin Valley has seen many changes in its economic environment, as well as the demographics of this eclectic area. The small town charm of elkin is undeniable which

lends to its attraction to new business while maintaining the, what could be called the "Yadkin Valley Spirit".

The Yadkin Valley Chamber of Commerce has embraced that spirit. The towns that are included in the Yadkin Valley area pride themselves in providing safe communities where families thrive and commerce flourishes as it all works together for a cohesive lifestyle for all. Some families have been in this area for generations others migrated over time which has created this network of business, economy, and culture that is the life blood of this beautiful area many call home.

Yadkin Valley boasts (rightfully so) of great schools, many churches for all faiths, a genuinely caring community and many citizens who are engaged in various aspects while thriving in this wholesome community. All of this culminates into an economically rich culture for business and directly impacts the continued success of the Yadkin Valley Chamber of Commerce.

Generational and new businesses have

flourished in the Yadkin Valley during which has seen many transformations in response to economics, changing culture or community drivers. Living in this community where we Visit, Live, Work and Play has become the personification and

mantra of the Yadkin Valley Chamber of Commerce. One of the important features of this area is the emphasis that is placed on parks, golf courses, pickle ball, tennis courts, trails and provides a wonderful environment for all outdoor activities. Premier medical facilities and personnel can be found in the Yadkin Valley making this area even more desirable. The commerce that has settled in Yadkin Valley is diverse and will meet the needs of most if not all people and businesses.

The YVCC has worked to support, promote, and incorporate itself as a community leader and organization for businesses. The YVCC serves the citizens of the area and visitors alike and seeks to provide benefits for all.

New business will find benefits through active YVCC membership with advertising, marketing, and branding. All active members benefit in various ways. The chamber Email blasts to introduce new members, promotional events a business wishes to advertise and membership or community information. These communications are shared on our Facebook page as well. The YVCC schedules annual events for active members throughout the year such as the Christmas Social and the Member

Appreciation Cook Out, Lunch and Learns are a popular addition for those wishing to host an event or attend these helpful sessions highlighting local businesses and services. It is important to note that successful businesses get involved with their communities and cultivate new long-lasting relationships and friendships. To coin a well known phrase, ask not what your chamber can do for you; ask what you can do for the Yadkin Valley through your chamber. Through giving, you shall receive because it is a well known fact that relationships are more valuable than knowledge.

The YVCC schedules a ribbon cutting with all new members and sends an invitation to all existing members as well as our Facebook social media platform. This can be a perfect opportunity for new businesses to begin to build new and long lasting relationships in the community as well as introducing services or products to potential new customers. The YVCC is a membership friendly organization designed to bring the business community together to create a welcoming culture for all.

The YVCC board consists of an Executive

Board and Board of Directors <https://yadkinvalley.org/about/officers>. All members represent local businesses and steer the decisions and direction of this Chamber of Commerce in the best interest of the organization, business culture and the community. The YVCC partially supports itself through fundraising activities such as the Yadkin Valley Wine Festival, Carnival, the 100 Mile Yard Sale, Pumpkin Festival and the Christmas Parade. The facility also hosts many other well known events in the interest of the community involvement Elkin Valley Cruisers, Trail Days (an event coordinated by Explore Elkin), Market Days (during the winter months), Rally in the Valley, Milltown Get Down, Juneteenth, and Hispanic Heritage Festival all of which provide opportunities for cultivating business relations. All of this culminates into a highly sustainable chamber that serves Yadkin Valley.

One metric that can be viewed for effectiveness in advertising as an industry is to observe the statistics of the Email campaigns for the YVCC. The tool used by this chamber is MailChimp the YVCC has

good click and open rates for email blasts .

Below is a table showing the open rate, click rate, and unsubscribe rate based on industry. The chamber falls under ecommerce and the current rate over the past year is seen much higher than industry rates.

Industry	Avg. Open Rate	Avg. Click Rate	Unsubscription Rate
Business + Finance	31.35%	2.78%	0.15%
Non-Profits	40.04%	3.27%	0.18%
Education + Training	35.64%	3.02%	0.18%
Ecommerce	29.81%	1.74%	0.19%
All Users	35.63%	2.62%	0.22%

<https://mailchimp.com/resources/email-marketing-benchmarks/>

The YVCC has many events that are either sponsored or supported on the property at the YVCC facility. Vendors and local businesses will participate by sponsoring some of the costs for the events, purchasing booth space and volunteering for events.

L & T Tree Service is a local, family-owned tree care company based in the heart of the Yadkin Valley — serving Elkin, NC, Jonesville, NC, Yadkinville, NC and surrounding communities. Founded in December 2017 by lifelong friends who started working part-time in the tree service industry, the company grew from “one chainsaw and a 1990 Ford Ranger” to a fully equipped, professional team.

L & T specializes in large tree removal, trimming and pruning, and comprehensive tree health work. They offer a full suite of services — from routine maintenance like shaping, limb removal, and pruning, to stump grinding, debris hauling, storm cleanup, and tree risk assessments. Whether it's a small job or a major removal, they

have the equipment and experience to get things done safely and efficiently.

What sets L & T apart is their commitment to professionalism, safety, and customer satisfaction. The team emphasizes quality workmanship and a clean final product, whether the job involves delicate pruning or the removal of large hazardous trees. They're fully insured, offer free estimates, and provide 24-hour emergency service — giving customers peace of mind that their property and safety are top priorities.

Elkin RailYard is a lively outdoor beer garden and social venue in downtown Elkin, North Carolina. Opened in 2023, it was created from a repurposed shipping-container concept and sits in the heart of the Yadkin Valley, embracing the town's rail history and community culture.

The RailYard offers 16 craft beer taps featuring local and regional brews, relaxed outdoor seating around fire pits, and frequent live music and food truck events that make it a go-to spot for locals and

visitors alike. Pet-friendly and family-oriented, it's known for its welcoming atmosphere, scenic setting by Big Elkin Creek, and role as a hub of Elkin's downtown social scene.

Since opening, the venue has become a favorite for outdoor gatherings, casual drinks, and community connection—bringing people together to enjoy good beer, good company, and the vibrant spirit of Elkin.

Explore Elkin began with a simple question posed at a community gathering in 2017: What would it take to make Elkin a true weekend destination? At the time, downtown had numerous empty storefronts and the community was still reeling from the loss of its textile mill.

Yet the town's assets were undeniable: a top-ranked school system, a flourishing wine region, miles of emerging trails, and a creative, dedicated population. That gathering sparked a wave of optimism and ultimately inspired the creation of Explore Elkin, a privately funded initiative built to champion Elkin's strengths, celebrate what's happening here, and invest in the town's future. "People were ready to believe in Elkin again," one early Explorer remembers. "We just needed someone to help connect the dots."

Unlike traditional tourism or economic development models, Explore Elkin operates through entirely private support, led by G&B Energy — a longtime local business with deep community roots. Their commitment to giving back set the foundation for an organization that could move nimbly, respond creatively, and fill gaps between the Town of Elkin, the Chamber of Commerce, and the broader business community. "We wanted to invest in the place that invested in us," G&B Energy has shared. Because of this structure, Explore Elkin is able to leverage partnerships, elevate local stories, seed new ideas, and create mutually beneficial opportunities through marketing, publications, and event development. What began

as a \$100-at-a-time grassroots effort has grown into a catalyst for economic vibrancy, helping reduce vacant storefronts, strengthen community morale, and highlight the people and places that make Elkin thrive.

Today, Explore Elkin supports every small and local business in town through weekly marketing, social media promotion, business spotlights, and event coordination. Programs like the Elkin Explorers membership, discounts, and community-engagement events bring residents and visitors together while inspiring ambassadors who proudly share the best of what Elkin offers. "It feels good to be part of something that lifts the whole town," one Explorer said. Whether amplifying a new business opening, promoting local events, or coordinating large-scale initiatives like NC Trail Days, Explore Elkin continues to serve as a bridge — connecting organizations, empowering entrepreneurs, and cultivating a welcoming, energetic vision for the Yadkin Valley.

Grace Clinic of Yadkin Valley is a non-profit free primary care clinic in Elkin, North Carolina, dedicated to serving low-income, uninsured adults from the Yadkin Valley and surrounding rural counties. Founded in 2005, the clinic grew from a grassroots effort to provide accessible healthcare into a vital community resource supported by volunteers, local churches, and donors.

The Grace Clinic offers basic medical care, behavioral health counseling, prescription assistance, laboratory

services, and referrals for specialty care at little or no cost, ensuring that those in need can receive compassionate, essential health services regardless of financial circumstances. Through its mission of "Healing Hands and Caring Hearts," the clinic plays a key role in improving community health and wellness in the region.

**Massage  
by  
Whitney**  
LMBT #21443

Massage by Whitney represents the heart of my professional journey, shaped by years of dedicated training and hands-on experience. I graduated from massage school in 2010 with a focus in sports massage and injury rehabilitation, which laid the foundation for the work I'm passionate about today. I spent 10 years as a lead massage therapist and trainer for a Marriott-brand spa, where I refined my skills, mentored other therapists, and built a strong commitment to client-centered care. My time working with chiropractors further deepened my understanding of therapeutic and corrective bodywork.

In 2023, I moved to Elkin, North Carolina, to start my own practice—and it has been one of the best decisions of my life. I immediately felt embraced by the community, and I'm truly grateful for the support

and kindness I've received since opening Massage by Whitney. My goal is to provide individualized, restorative treatments that help relieve pain, improve mobility, and promote long-term wellness. I've always believed that massage is not just a luxury but an essential part of maintaining a healthy, active lifestyle.

Giving back to this community is incredibly important to me. I'm honored to support and work alongside local nonprofits such as the Hugh Chatham Foundation, Heart of a Child, and The Ark. As an active member of the Yadkin Valley Chamber of Commerce, I look forward to forming more partnerships, supporting fellow business owners, and continuing to serve the Yadkin Valley with gratitude, dedication, and purpose.
