# The Votes Are In, And the Winners Are...

The publication you are holding in your hands, or reading online, is the result of many hours of work by our staff, but more importantly, the result of feedback from the many readers who voted on these outstanding merchants. Our thanks to our readers for taking time to study the ballot and vote on the entries they believe to be the best in Elkin. Most assuredly, the results here are The Readers' Choice. How were the results determined that you see here? There were thousands of votes cast online. All the entries by categories were then counted electronically to obtain the results.

Our readers are the best year in and year out. For many years you have shown how much you like this special publication, and we appreciate your support. If you are a business owner and want to be included on the ballot next year, please email Advertising@TheElkinTribune.com. Our thanks to the advertisers that participated and to you for voting. Winners will be presented with a special "Reader's Choice" award certificate for display at their place of business.
