JENNMAR**

**SAFETY,
SERVICE,
AND
INNOVATION**

JENNMAR designs and manufactures a wide range of dependable ground control products, from bolts and beams to channels and trusses, resin, rebar, and more. We're proud to make products that make the mining, tunneling, civil, and construction industries safer and more efficient.

Because we understand the ever-changing and demanding conditions above and below ground we have built the richest portfolio of diverse and complementary brands. JENNMAR sets the bar in every industry we serve and as we continue to grow, our focus will always be on the customer.

We feel it is essential to develop a close working relationship with every customer so we can understand their unique challenges and ensure superior customer service. Our commitment to the customer is guided by three words: SAFETY, SERVICE, and INNOVATION. It's these words that form the foundation of our business. It's who we are.
