

Cemetery Clean Up

Every October 1-9, we will begin cleaning up the cemetery by removing all artificial and real flowers, broken statues and decorations from the cemetery plots. Any non-broken metal decorations or statues will be left. We ask that anything you do not want removed and discarded to be taken off prior to October 1 and the cleanup should be completed by October 10.

We apologize for any inconvenience this may cause you. We are trying to ensure that the cemetery is more presentable for all of the families we serve. For all questions or concerns, please call the office at (775)738-5111.
