

Did You Know Elko Family Medical & Dental Center Offers Behavioral Health Services?

Mental and emotional health support is available close to home through Elko Family Medical & Dental Center. The center's Behavioral Health team provides counseling and therapy for children as young as five, as well as adolescents and adults. Services address a range of needs, including anxiety, depression, suicidal thoughts, and other concerns.

Licensed clinical social worker Sylina Holmes, LCSW, is welcoming patients and is available to meet with community members seeking support. Appointments are open to everyone - there is no requirement to be an existing patient of the medical clinic.

Those interested can call 775-738-5850 to schedule an appointment. No medical referral is necessary. Elko Family Medical & Dental Center accepts Medicaid, Medicare, Nevada Check Up, and most private insurances.

We are excited to introduce Licensed Clinical Social Worker Sylina Holmes to the Elko Community!

Sylina recently moved to Elko and joined the healthcare team at Elko Family Medical and Dental Center, and she can help individuals and families with mental, behavioral, and emotional disorders, including:

- Anxiety
- Depression
- Suicidal ideation
- Other concerns

If you or a family member needs help and support, please call **775.738.5850** to make an appointment with Sylina. ***No medical appointment required.***

*We accept Medicaid, Medicare, Nevada Check Up, and most private insurances.
We also offer a sliding fee discount program based on family size and income.*
