An illuminated tribute to those we love

Cardinals are among the most treasured gifts that nature shares with us during our time here on earth. Adorned in brilliant red, they have long been thought to be messengers sent from above. Now, the symbolism of the cardinal is celebrated in the "My Spirit Will Live On" Illuminated Tabletop Tree. Featuring the artwork of James Hautman, this limited edition is individually crafted from materials that recreate the look of pine. Sprinkled with snow, the tree is adorned with pinecones, berry clusters and lights that operate on a convenient 24-hour timer. The tree is nestled in a beautiful stand finished in porcelain tones and golden accents, with an inspirational sentiment and James Hautman's nature artwork on its side. A lovingly rendered sculpted cardinal inspired by Mr. Hautman's art shares a peaceful and inspiring message. **Exceptional value, satisfaction guaranteed**
