

**SOUTHWEST GAS**

## **HEAVY SNOW MAY DAMAGE THE NATURAL GAS METER**

**Follow these tips to keep the meter protected:**

### **Install a meter shelter**

- Clear snow and ice off the meter, preferably with a broom
- Don't pile snow on the gas meter when shoveling or plowing
- Keep snow from landing on the gas meter when clearing roofs

**If you ever suspect a natural gas leak, whether you're our customer or not, leave the area immediately and from a safe location call **911** and Southwest Gas at **1-877-860-6020**.**

**For information about how to build a structurally engineered shelter, visit [swgas.com/safety](https://www.swgas.com/safety) or call **1-877-860-6020**.**
