

# TRUE BLUE

*Staying safe is who we are.*

Our heavy civil and mining services reach across the lifespan of a mine, from facility construction, to full-scale contract mining of coal, minerals, or metals, as well as mine reclamation and a wide variety of heavy civil activities. With our vast long-term projects in multiple locations across Nevada and into California, we are continuously growing.

## WE'RE HIRING!

Bring your mining experience to our team:

**Operators      Labourers**
