Honoring Elko County’s Best in Local Business and Community Leadership from Services to Retail and Beyond!

To Our Valued Community, Businesses, and Readers:

The 2025 Elko County Best of Readers’ Choice program featured 14 groups with 108 categories. Thanks to overwhelming community engagement, we received an impressive 18,604 nominations and **75,930 votes!**

Among this year’s top finalists listed are many outstanding locally owned and newly established businesses offering a diverse range of products and services across Elko County. We appreciate all the businesses for their contributions to our local economy by providing jobs, essential goods, and valuable services.

To our community members and readers: thank you for shopping locally and showing your support by nominating and voting for your favorite businesses. Your involvement helps strengthen our community—and we couldn’t achieve this without you.

How Finalists Are Selected:

The Best of Elko County Readers’ Choice program is conducted in three phases:

1. Nomination 2. Voting 3. Finalists Announcement.

Each year, we invite readers and the local community to ***nominate their favorite businesses and community leaders in the Elko County region.*** Through our user-friendly digital platform, participants can submit one nomination per category, per email address.

Once the nomination phase closes, ***the top five (plus ties) nominees with most nominations in each category will advance to the voting phase.*** During the voting phase, participants can vote once daily per category. Businesses may also opt to purchase a “text-to-vote” code for each category, allowing participants to cast one vote per day via text, per phone number.

Finalists are determined by the top three (plus ties) businesses and community leaders in each category from the Voting Phase. We recognize a ‘Winner’ and two ‘Favorites’ (plus ties) in each category, Top Finalists are featured in this special publication. Finalists may request a special certificate of achievement to display at their business, along with a free promotional kit available at: https://leeenterprises.formstack.com/forms/2025_certificate_requests.

* There is no purchase necessary to participate.

Ensuring Fairness & Integrity

We are committed to maintaining the integrity of the *Best of Elko County* program. To ensure a fair and transparent process:

- An **independent administrator with no local affiliations** oversees the contest.
- All nominated businesses are verified to be **Elko County-based**.
- **Duplicate or suspicious entries are removed** to maintain credibility.
- A **strict voter fraud policy** is enforced throughout every phase.

We’re proud to say that this year’s finalists truly reflect the voice of the Elko County community and our readers.

Please join us in congratulating all the 2025 Best of Elko County Readers’ Choice Finalists – your recognition is well earned!

We believe one person can make a difference. Every member of our board volunteers their time, energy, and heart-without compensation. Their reward isn't financial. It's knowing they've helped someone through their darkest moments. That they've stood beside a neighbor, a veteran, a friend, and reminded them they're not alone. This is the kind of service that transforms communities. Quietly. Powerfully. One life at a time.

Guaranteed customer service!

Kinnady Lostra,

a proud Elko, Nevada native, began her journey in skincare with a strong foundation in science and a passion for helping others feel confident in their own skin. In 2018, she moved to Reno to attend the University of Nevada, Reno, where she earned her Bachelor's degree in Biology in 2021.

Following graduation, Kinnady began working at the Skin Cancer & Dermatology Institute, where she discovered her true calling in skincare. Inspired by the impact she could make, she enrolled at the Milan Institute in Reno to pursue formal training in esthetics. After graduating, she began offering skincare services in Reno, where she refined her skills and deepened her expertise.

In early 2024, Kinnady felt the pull of her hometown and made the heartfelt decision to return to Elko. There, she launched Lostra Esthetics—a space dedicated to helping others feel beautiful, confident, and cared for.

Located in the heart of Elko, Lostra Esthetics has quickly built a reputation for delivering high-quality skincare services and results-driven treatments. Kinnady's unique combination of higher education, hands-on experience, and genuine passion allows her to approach skincare with both scientific knowledge and personalized care.

At Lostra Esthetics, the mission is simple: to help every client feel comfortable and radiant in their own skin. With a loyal and growing clientele, Kinnady continues to raise the bar for skincare in her community—one glowing face at a time.
