CASE NO: CIV-24-WR 11
Consolidated with CIV-24-WR 12

**SUPPLEMENTAL MOTION FOR RECUSAL OF MAGISTRATE
GHEZZI FOR BIAS AND PREJUDICE**

COMES NOW Defendant Steven McDade Supplemental Motion of Magistrate Ghezzi

Order on grounds of *Bias and Prejudice* against not only Defendant Steven McDade

But all Defendants in all cases pending under Magistrate Ghezzi.

**MAGISTRATE GHEZZI REFUSES TO SET PLAINTIFFS FOR ARRAIGNMENT
OR PROSECUTE FOR ASSAULTS ON DEFENDANTS IN JANUARY 2025**

In January 2025 Plaintiffs **SHOT AT AND ASSAULTED** multiple defendants of these cases, Including Defendant Steven McDade. These cases have sat on the desk of Magistrate Ghezzi for over 7 Months with no arraignment of Plaintiffs clients (Duane Garcia, Melva Garcia, Alice Tybo) in sight.

It seems this ploy is a clear attempt by Magistrate Ghezzi Order to drop these pending Charges against plaintiffs who as the Federal Government has clearly stated are **"Faithless to Their own people and without integrity"** if he could get plaintiffs back in power.

Defendants were injured by Plaintiffs assaults and still suffer the daily *Physical and Mental Anguish* of what has happened to them.

Defendant Steven McDade injury by one Alice Tybo (Third time) has left his shoulder with *Chronic Pain* since 2021. The pain i suffer results in sleepless nights because of *Cramps, Muscle Spasms, Pain to which blackouts occur* which puts a strain on my daily job.

**MAGISTRATE GHEZZI ORDER IGNORES THE FEDERAL GOVERNMENT DECISION
BY SECRETARY NEWLAND AND DIRECTOR LACOUNTE. MAGISTRATE GHEZZI ORDER
GIVES PLAINTIFFS GROUND AGAINST THE FEDERAL GOVERNMENT IN THE DISTRICT
COURT CASE 2:24-CV-01629-JAD-DJA**

Magistrate Ghezzi Order further goes on to ignore and essentially give plaintiffs credence to Their pending case against the Federal Government and Defendant Steven McDade.

Magistrate Ghezzi Order ignores the fact that Secretary Newland final Decision was based

On the facts submitted to the Federal Government which the Federal Government **DID NOT** See any violations of Federal or Tribal Law. In fact the Secretary Decision acknowledged Defendant Steven McDade handling of the TeMoak Tribal Elections on October 12, 2024 and November 2, 2024 respectively.

It Seems Magistrate Ghezzi had fully made up his mind from the time he was seated to Adjudicate these cases. Which further showed his *Bias and Prejudice* from the Start.

Defendant Steven McDade asks that Magistrate Ghezzi recuse himself from all proceedings, And the court set a reasonable Bond for defendants. Magistrate Ghezzi outrageous Bond Amount shows clear *Bias* against Defendants as Magistrate Ghezzi never asked for Bond for Plaintiffs in these cases.
