

NOW HIRING

We are looking for a **full-time Veterinary Technician** to join our busy 4-doctor mixed practice. We are seeking a motivated person to join our fast-paced, upbeat team located in Washington. You will have an opportunity to work in a modern clinic setting, which includes digital radiography, in-house laboratory equipment, ultrasounds, orthopedic equipment, surgical laser, and more.

The right person for this position would possess the following qualities:

- Have at least 2 years of experience as a veterinary technician
- Experience with Avimark a plus
- Be able to stay focused in a fast-paced environment
- Flexibility to work weekends, evenings and holidays, including a rotating on-call schedule
- Willingness to be a team player and jump into all positions within the clinic as needed
- Excellent client communication
