ATHLETE

OF THE WEEK PROGRAM

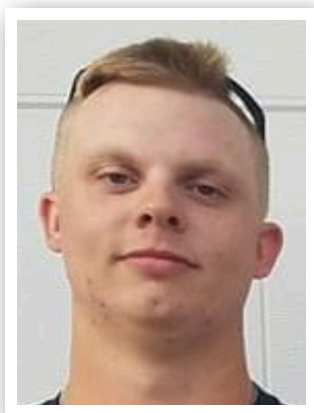

Name: Emily Gaebe

Sport: Soccer

Grade: Senior

School: Union HS

Reason for Nomination: Emily currently sits second place among all St. Louis area girls soccer players in total points (39) and goals scored (18). Last week, she was able to score twice against St. Charles to give the team a 2-0 win. She leads the team with aggressive attitude and desire to the match. The St. Louis University commit continues to wow her opponents every time out.

Reason for Nomination: Blake batted .600 for our team last week as we won our first two conference games of the season. Blake also walked once, scored one run and hit possibly the longest home run ever hit at our stadium. It definitely was a memory anyone at the game will not soon forget. Blake is a major part of our dugout, a hard worker who teammates love for his fun-loving attitude and good natured demeanor. He is a great guy who everyone loves having on the team.
