

Missourian

ATHLETE

OF THE WEEK PROGRAM

Name: Isabella Rio
Sport: Swimming
Grade: Sophomore
School: SFRHS

Reason for Nomination: Isabella is Borgia's most versatile and highest point-getting swimmer, having posted first-place finishes in the 200 IM, 50 and 500 free, 100 breast and 100 fly over the course of the season. In her two years at Borgia, she has competed and won big points in every single event except diving. She finished top eight in all of her individual events in every invitational this year. She is a key member of the Borgia 200 and 400 free relay teams which finished first and second at conference. She has excellent form and technique, which she shares with her teammates to help improve their stroke and turns.

Reason for Nomination: McKenzie is a guard who plays like a forward sometimes. She usually has to guard the other team's better offensive guard, but against Pacific she was assigned to the big girl under the basket in the second half of our game and limited her to one point in the half. McKenzie was instrumental in our two wins last week against Pacific and Chamois, averaging 15 points, 7.5 rebounds, two assists and two steals in those games. She is a very hard worker on the basketball court. McKenzie is a total team player who does whatever it takes to make our team better. McKenzie also works hard in the classroom to be the best student she can be.

Name: McKenzie Overschmidt
Sport: Basketball
Grade: Senior
School: New Haven HS

NO MALE ATHLETES WERE NOMINATED THIS WEEK
