BEST CREDIT UNION

Greetings Enid News & Eagle Readers,

Once again, our readers have spoken! And, you've spoken in volumes this year!

We asked our readers to nominate your favorite businesses and professionals, and more of you than ever before answered our call!

Now, we can announce to everyone in the Enid and Northwest Oklahoma -- these are the Enid News & Eagles "Reader's Choice" winners. These businesses and professionals have been chosen the best in class.

This recognition for these winners is a BIG DEAL! We had more than 48,000 nominations and more than 100,000 votes cast by more than 5,100 readers. This is the largest Reader's Choice reader-participation promotion in the Enid News & Eagle's history of more than 30 years in running this annual promotion.

Our Reader's Choice promotion has such a long history because it works, it's fun and it's useful information to know and share.

Reader's Choice is a way for readers to reward and congratulate local professionals and businesses for their good efforts in serving you. Particularly after a difficult year in 2020, thanking these businesses and professionals is very important, and it's a point of pride for those selected by readers and honored by the Enid News & Eagle.

In fact, you'll see Reader's Choice awards posted proudly in their businesses. When you see these awards posted in businesses, take a minute and congratulate that business. They will certainly appreciate it.

This section is a celebration of our readers and businesses who are the fabric of Enid and surrounding communities. Our readers are the local residents, business owners, farmers, entrepreneurs, students, retired seniors, the men and women serving our nation in the U.S. Air Force and so much more.

This past year has been difficult for our businesses, but they have persevered! They are providing quality products and services at a competitive price, maintaining a welcome atmosphere to their customers and providing excellent customer service. Please patronize the top-ranked businesses that are listed here.

Thank you, readers, for making the 2021 Reader's Choice awards such an amazing success. Congratulations to all those businesses and individuals whose hard work and dedication has made a remarkable difference in the lives of so many.

Warm Regards,

Cindy Allen, Publisher/Editor, Enid News & Eagle / EnidNews.com

Greenbrier Village Staff—Bridge Builders

Stories of heroes at Greenbrier Assisted Living, The Homes of Greenbrier and Greenbrier Skilled.

who have served and are still serving the most vulnerable, our seniors, are shared daily. The war against COVID has been a long one and we continue the fight as we continue to meet the needs of our residents, their families, and our staff.

From day one,

our staff rose to the occasion and went above and beyond. Watching them do their regular jobs and then throwing in a pandemic altered the course of every new day and we did not let it shake us from our commitment to serve. We stepped up to the plate and did things that were kind and compassionate, and still do. We facilitated virtual visits using smart phones and other devices and even windows. We made phone calls to family members to help keep them in the loop as to how their loved one was doing. Our staff went room

by room and read to residents, did puzzles with them and painted their nails with them. We laughed and

cried with them as well.

Our Life Enrichment Guides, were not able to host regular activities and celebrations so they got creative. They were not content to just celebrate typical holidays of the year, St. Patrick's Day, Easter, 4th of July

and the like. They created themed window parties for our residents and their families. Baseball, the Circus, Watermelon Days, Luaus, and fiestas are some of the events they planned. Special decorations were created, fun snacks were served, and they even planned activities that went along with the theme and if that was not enough, they even provided fun costume pieces. They invited musical groups to come and sing in our courtyards and even invited families to bring their favorite pets for window visits.

The entire team at each facility

bridged the divide and did all they could to fill the void COVID 19 created. Be sure and check out our Facebook page to see what life was like in the Village this last year and what is happening now. Our Facebook page has become a window in itself into the world that

our precious seniors live.

We remain cautious as restrictions are being lifted but we are also celebrating. Prayers have been answered and we are thankful to be able to watch daily reunions. People need people and families need families.
