Now, I'd like to ask you about some State Questions that will be on the November ballot.

17.	State Question 793 adds a new section to the Oklahoma Constitution that says no law shall infringe on optometrists' or opticians' ability to practice within a retail mercantile establishment, discriminate against optometrists or opticians based on the location of their practice, or require external entrances for optometric offices within retail mercantile establishments. No law shall infringe on retail mercantile establishments' ability to sell prescription optical goods and services. The Section allows the Legislature to restrict optometrists from performing surgeries within retail mercantile establishments, limit the number of locations at which an optometrist may practice, maintain optometric licensing requirements, require optometric offices to be in a separate room of a retail mercantile establishment, and impose health and safety standards. Knowing this, would you say you:		
	1. Strongly support	108	24.2
	2. Somewhat support	103	22.9
	3. Support	211	47.1
	4. Don't know/No opinion/Refused [DNR]	55	12.2
	5. Somewhat oppose	80	17.9
	6. Strongly oppose	102	22.8
	7. Oppose	182	40.7

18.	<p>State Question 794 would amend the constitution to grant victims’ rights to crime victims and those directly harmed by the crime, in a manner equal to the defendant’s rights, including the expansion of court proceedings at which a victim has the right to be heard, the addition of a right to reasonable protection, the addition of a right to proceedings free from unreasonable delay, the addition of a right to talk with the prosecutor, and allowing victims to refuse interview requests from the defendant’s attorney without a subpoena. Knowing this, would you say you:</p>		
	1. Strongly support	253	56.5
	2. Somewhat support	106	23.7
	3. Support	359	80.2
	4. Don’t know/No opinion/Refused [DNR]	31	6.9
	5. Somewhat oppose	30	6.7
	6. Strongly oppose	28	6.2
	7. Oppose	58	12.9
19.	<p>State Question 798 would add a provision to the Oklahoma Constitution to change the manner in which the Governor and Lieutenant Governor are elected. If approved, candidates for Governor and Lieutenant Governor from the same party, starting in 2026, would run together on a single ticket and voters cast one vote for their preferred ticket. Knowing this, would you say you:</p>		
	1. Strongly support	136	30.3
	2. Somewhat support	91	20.3
	3. Support	227	50.6
	4. Don’t know/No opinion/Refused [DNR]	45	10.1
	5. Somewhat oppose	66	14.8
	6. Strongly oppose	110	24.6
	7. Oppose	176	39.4
20.	<p>State Question 800 would add a provision to the Oklahoma Constitution creating a new trust fund, where 5% of revenues from the gross production tax on oil and gas, starting July 2020, would be deposited and increasing by .2 percent per year. After July 2020, 4% of the fund’s principal would be deposited each year into the State’s general revenue fund. Principal would be calculated by using an average of the fund’s annual principal for the five years before the deposit. No more than 5% of the fund could be used to pay interest on bonds issued by the state or local governments. Knowing this, would you say you:</p>		
	1. Strongly support	73	16.3
	2. Somewhat support	105	23.5
	3. Support	178	39.8
	4. Don’t know/No opinion/Refused [DNR]	106	23.7
	5. Somewhat oppose	72	16.1
	6. Strongly oppose	91	20.4
	7. Oppose	163	36.5

21. State Question 801 would provide a means for voters to allow school districts to expand the permissible uses of ad valorem tax revenues to include school operations. Currently, ad valorem tax revenues may only be used to build, repair, or remodel school buildings and purchase furniture. This measure would amend the Constitution to permit voters to approve such a tax to be used for school operations deemed necessary by the school district. Knowing this, would you say you:

1. Strongly support	132	29.6
2. Somewhat support	114	25.4
3. Support	246	55.0
4. Don't know/No opinion/Refused [DNR]	37	8.2
