

MAKE SURE YOUR VOTE COUNTS THIS NOVEMBER

I want to vote early!

VOTE BY MAIL OR DROP BOX

Or you can...

VOTE EARLY IN PERSON IN YOUR COUNTY

Beginning Oct. 5, vote at the:
 Douglas County Election Commission Office
 12220 West Center Road
 Sarpy County Election Commission Office
 501 Olson Drive, Papillion

NOTE: Plans could change because of the pandemic.

REQUEST AN EARLY BALLOT

Ballot application request forms have been mailed to Douglas and Sarpy County registered voters. Those are the best forms to use.

Remember:

- Follow the instructions
- Sign the application
- Return it by mail, to an official drop box, or by email or fax

The state is also mailing early ballot applications to all registered voters whose county didn't already send them.

Didn't get one or lost yours? Request one from your Election Commission Office.

The request has to be at the Election Commission Office or in an official drop box by 6 p.m. Oct. 23. Postmarks don't matter, so don't wait too long to return your application.

WAIT FOR YOUR BALLOT TO ARRIVE BY MAIL

Ballots start mailing out Sept. 28. Should arrive to voters beginning Oct. 1.

FILL OUT YOUR BALLOT, FOLLOWING THE INSTRUCTIONS

Remember:

- Put completed ballot in return envelope provided
- Put only your ballot in your return envelope
- Sign back of the ballot return envelope. **Ballots without a signature on envelopes cannot be counted.**

Votes cannot change once you've submitted a ballot.

If you requested an early ballot, you must vote with that early ballot.

Problem with your ballot?

Check with your Election Commission Office as early in October as possible.

On Election Day, a provisional ballot can be submitted at your polling place, but it will be delayed and might be rejected as election officials verify.

RETURN BALLOT BY MAIL THROUGH U.S. POSTAL SERVICE

- Election Commission must receive ballot by 8 p.m. on Nov. 3. **Votes will not count after that; postmarks do not matter.**

Don't go by usual delivery times. Allow at least 7 days.

You cannot return your early ballot to a polling place.

Or better yet ...

RETURN BALLOT TO AN OFFICIAL BALLOT DROP BOX

Be sure to sign the back of your ballot return envelope.
 Secure drop boxes are open 24/7.
 Ballots are collected regularly and with increasing frequency as Election Day nears.
 Every county has at least one drop box.

I want to vote at the polls on Election Day!
