And don't forget to tell the operator you want to cash in the coupon printed in today's newspaper to save an additional $500 off. Just be sure to call before the coupon expires.

Do you know the current condition of your roof?

If not, you need to call Roof Maxx of Fort Myers using the toll-free number printed in today's newspaper publication to find out.

And here's the best part. It won't cost you a penny. That's right, not one penny. All you need to do is call Roof Maxx and they'll quickly dispatch a highly trained professional Roof Tech to your address to perform a free rooftop inspection to make sure everything is in tip top shape. It's that easy. Just make sure to find the city you live in below and call the toll-free number listed for that county today to schedule your free rooftop inspection.

Here's why so many Charlotte County homeowners are calling to schedule their Roof Maxx service today. They're saving thousands of dollars. New roofs just cost too much money today! In fact, 90% of all roofs replaced, did NOT need to be replaced and could have been restored for up to 70% less than a new roof replacement with Roof Maxx.

A new revolutionary green roofing breakthrough is now saving Charlotte County homeowners thousands of dollars on costly roof replacement. It's called Roof Maxx. Roof Maxx is like moisturizer for your roof. It quickly restores flexibility and water repelling protection guaranteed up to 15 years.

The old way was roof replacement the new way is to rejuvenate your roof. Roof Maxx's revolutionary treatment was developed in conjunction with Battelle, the world's largest independent, non-profit science and technology organization.. And here's the best part – Roof Maxx saves homeowners up to 70% over the cost of a new roof replacement. And that's not all. Roof Maxx's all-natural AWARD-WINNING formulation is Certified USDA BioPreferred. That means it is 100% safe for people, pets, property and the environment.

Roof Maxx works. In fact, Ohio State University put Roof Maxx to the test. The results? Roof Maxx reversed the aging process of old asphalt shingles. The technical report confirmed 17-year-old roof shingles treated with Roof Maxx restored their flexibility passing the exact same testing required for brand new roof shingles. So, if you think you need a new roof... think again.

If you have seen any of the following signs, it's time to call Roof Maxx for a free rooftop inspection.

- Sand-like granules flaking off and showing up in your gutters, downspouts and on the ground.
- Black stains, streaking or moss that are visible from the ground.
- Missing, cracking, breaking, and curling shingles.

Remember, homeowners who see any of the signs listed above need to call Roof Maxx immediately. It won't cost you a penny for the rooftop inspection because it's absolutely free!

That's why homeowners who are not sure of their current roof condition are being urged to call Roof Maxx of Fort Myers today for their free rooftop inspection.
