

Cancer Care Clinical Trials, **CLOSE TO HOME!**

At Hematology-Oncology Associates of CNY, we're more than a world-class cancer care provider: We're a resource for groundbreaking treatments – and the hope that comes with those treatments.

Our ability to conduct clinical trials gives **YOU** additional confidence when it comes to choosing your provider of cancer care.

Learn about our current trials and whether you might qualify to be a participant at hoacny.com.

HOA... When you need us, where you need us. With three locations – East Syracuse, Auburn and our newest center in Camillus!
