Subject: Support for the Village of Waterloo Police Department

On behalf of the men and women of the Seneca Falls Police Department, I am writing to express our strong support for the continued existence of the Village of Waterloo Police Department. For nearly a century, the dedicated officers of the Waterloo Police Department have faithfully served this community, ensuring the safety and well-being of its residents.

As Chief of the Seneca Falls Police Department, I have had the privilege of working alongside the Village of Waterloo Police Department for the past 25 years. Throughout this time, our agencies have maintained a strong and cooperative working relationship, built on mutual trust, professionalism, and a shared commitment to public safety. Their presence in the community has been invaluable, providing local, responsive, and dedicated law enforcement services tailored to the unique needs of the Village of Waterloo.

The decision to abolish a police department is a significant one, with lasting consequences for public safety, emergency response times, and the overall security of the village. I strongly urge the Village Board and residents to carefully consider the full impact of such a decision. It is essential that all voices be heard, and that a thorough discussion of both the benefits and potential drawbacks takes place before any final determinations are made.

The officers of the Waterloo Police Department have been an integral part of your community, and their dedication should not go unnoticed. I encourage the Village Board and residents to take the time to evaluate all factors and ensure that any decision made is in the best interest of public safety and the well-being of the Village of Waterloo.

We stand ready to support our colleagues and the community during this discussion and hope for a resolution that prioritizes the security and quality of life for all.

Sincerely,

Timothy A. Snyder

Chief Timothy A. Snyder
