

Thompson Health OB/GYN Services and Birthing Center

Caring for Women. Every Age. Every Stage.

Whether seeking routine gynecological care, support through pregnancy, or treatment for more complex conditions, Thompson Health's OB/GYN providers offer compassionate, personalized care for women at every stage of life.

OB deliveries take place at our **nationally recognized Birthing Center**, at F.F. Thompson Hospital in Canandaigua, trusted by local families and known for exceptional outcomes — including among the **lowest C-section** and **highest breastfeeding rates in New York State**.
