Lyons celebrates all things Garlic with our 7th Annual event

Garlic is in the air! The Lyons Main Street Program is hosting its seventh Annual Garlic Day at the Lyons Farmers' Market in historic downtown Lyons on Saturday, September 12th, from 8:00 AM until 1:00 PM. The event will feature Garlic flavored dishes and other food options, garlic braiding, fermented garlic along with many varieties. Visitors may be surprised at the many types of garlic for sale with both hardneck and softneck varieties ranging from mild to spicy & hot.

The Lyons Farmers' market features a wide array of local produce, meat, eggs, bread, jams, honey, baked goods, local coffee, dog treats, body care and crafts. Visitors can stroll the pedestrian-only street where up to 50 vendors set up.

History buffs can take a short, self-guided tour to learn about the three generations of the Erie Canal passing through National Historic District-designated downtown Lyons and visit Lyons' peppermint and history museums.

Parking is available off Montezuma street, near the Trolley Station; off Route 14 near Hometown Auto Service; off Water street behind the Wayne County DMV.

The Lyons Farmers' Market is held every Saturday through October 24th from 8:00 AM until Noon on Church Street in historic downtown Lyons at Central Park. Once a year, the market celebrates all things garlic with its Garlic Day market. For more information about Lyons Main Street Program's Garlic Day Farmers' Market, visit <https://www.facebook.com/LyonsFarmersMarket>, Email: LyonsNYFarmersMarket@gmail.com, or call Adam @ (315) 945-4118
