WEEKEND OPEN HOUSES

At this time, we are continuing to hold open houses, until we are directed by the Nebraska Association of Realtors to do otherwise. We will be practicing guidelines set forth by the CDC to maintain a safe environment for our associates and clients. Each open house will be equipped with hand sanitizers and frequently touched surfaces will be wiped down with a sanitizing solution. We will also be limiting occupants to 10 at a time. If you are uncomfortable with a social setting to view a property please call us. We are happy to schedule a private tour or a video tour.
