HERKEY'S CHAMPION BUYERS CLUB

Herkey's Champion Buyers Club is a coalition of more than 40 businesses and individuals who each contributed \$500 toward bids on grand and reserve champion projects. The inaugural fund this year reached \$20,500 to boost or support strong bids on projects, according to spokeswoman Janice Williams. The organization placed bids on the grand and reserve champion steer, lamb, goat and hog. The balance of this year's funds was used to award add-ons to each of the other grand and reserve champion projects in the sale of champions. The club was named in memory of David "Herkey" Biffle.
