The proverb "*It takes a village*" is absolutely true at Vida Charter School - we can go a step further and say that it takes a multilingual village to support our school community! We are grateful for the time, energy, and resources given to Vida by generous families, friends, college students, and community

partners who make a significant impact on our students' bilingual learning experience, and in turn, assist our school staff. Muchas gracias!

Every week Vida receives a donation from Panera, which our family volunteers then take the time to sort, divide, and portion to send home baked goods dozens of our students.

Girls on the Run® (GOTR) is more than just a running program; it's a life-changing experience that empowers girls to build confidence, address negative issues, and deepen vital physical, mental, emotional, and social life skills. Behind this transformative journey are the extraordinary individuals who volunteer their time, energy, and passion as **coaches**.

Our GOTR volunteer coaches in Adams County are **AMAZING!** Positive and caring role models & mentors, they create encouraging, supportive spaces where girls develop essential skills to support their social, mental, emotional, and physical health throughout the 8-week program and for the rest of their lives.

Volunteer coaches believe in the power and potential of every girl and support them on their individual journeys of self-discovery and personal growth. They are the reason that every girl feels seen, heard, valued and successful, no matter what else is going on in their lives.

GOTR Mid State PA shares our gratitude and a SUPERSTAR Energy Award to our volunteers at Conewago Valley Intermediate School, Bermudian Springs Elementary & Middle School, and Franklin Township Elementary School. Thank you, coaches!
