Subject: Sexual abusers walk free in Iowa?
Date: Tuesday, February 20, 2018 9:47:52 AM

You have a case coming up on the 23rd. Do the right thing and put this guy in jail where in most states they would be. The country is now watching since this case is starting to get national attention. If your daughter went thru 4 years of sexual abuse would you walk the abuser to walk free? Come on Iowa you are better than this.
