

My father David Bemis
is a good man who made
a mistake. Me and my brother
need our father. and i don't
know what i would do w/out
him. i love my dad.

my dad has always been there
and w/ me being the oldest &
child i would have to ~~provide~~
provide for my brother along w/
my 3 children. if you could
consider our family in this
it would be much appreciated
