Direct and authorize the Sup't. of Schools to immediately facilitate and  
direct the achievement of the above direction and expectations of this  
Resolution.

Passed, approved this 7th day of January, 2019.

Jodi,

If I were the MCSD Bd. Chair I would lead and advocate to my colleagues  
that the Board take such transparent and forceful action at the 1/7/19 Board  
Meeting. No passing the buck to CG County and/or the State. Yes, they  
have specific legal authority and responsibilities. But first and for most in this  
dark hour for the MCSD the citizens deserve and I contend, EXPECT our  
School Board to FIGHT for the District citizens and the \$2.2M these thieves  
took from the sleeping former Board and community.

This mess has along way to go before justice is rendered and complete.

You and the current Board can either look decisive and strong or punt. So far  
you are earning "A" s. More courses need to taken before graduation.

Respectfully,  
Patrick McGarvey

To: email: "jdraper@masoncityschools.org Jodi Draper"

Jodi,

Thanks for your consideration.

My draft needs editing and revising

to meet the Board's position.

But as a citizen I am watching for  
clear direction from our elected Bd.  
toward forcefully pushing the SYSTEM , County and State, to  
act strongly to force and receive  
restitution and appropriate sentences. No going lite.

Why? Because this corruption  
cannot stand. George HW Bush  
used the words, " this will not stand"  
when speaking to this country Re:  
Iraq invading Kuwait. He meant it.  
We saw the outcome.

We the, the MCSD citizens, and the future of this School District, need equally forceful action on this  
Auditor

findings. If done well it will begin to

make things right for the future

benefits to the parents and children  
of this public school district. And teach a lesson to the organization  
about expected morals from it's  
Employees.

So passing a strong Resolution  
on 1/7/19 I believe is a necessary &  
wise transparent action for the Board to take.

Stay the course!

Pat
