

MASON CITY
PUBLIC LIBRARY

May 30, 2018

Mark Suby, President
North Central Iowa Genealogical Society
100 North Ohio
Mason City, Iowa
50401

Dear Mark and Society Members:

The Mason City Public Library Board thanks you for the many years your organization has helped people in North Iowa with genealogy searches and questions.

Due to the changing space utilization needs of the library, the Mason City Public Library Board of Directors is requesting that the North Central Iowa Genealogical Society remove the items owned by the Society and its members and vacate the space currently used by the Society at the Mason City Public Library by August 1, 2018. The library board requests that moving of the items owned by the Society is not disruptive to library operations. Please contact Mary Markwalter as soon as possible to discuss the date that the Society plans to move out of the building.

Sincerely,

Mary Markwalter
Library Director
