Since 2015 the Mason City School Board of Education has worked diligently to correct these issues. Many internal controls and policies have been put in place to help ensure these types of issues can not occur again. We currently have top administrators that conduct themselves with transparency, integrity, and adhere to Iowa Code. I want to thank the Board members of 2015 and our current board for doing their due diligence for our district and requesting the state review documents that we questioned.

Respectfully Submitted
