Dr. Anita M. Micich
Superintendent of Schools

March 10, 2016

To Whom It May Concern:

The Mason City Community School District has an agreement with the International Education Management Corporation (IEMC) to place Chinese Study Abroad Students in the District high school for the 2016/2017 school year.

IEMC is the school district's exclusive agent to recruit students in China. IEMC is authorized by the school district in China to recruit Chinese Foreign Students to attend the high school in the Mason City Community School District. The District will accept qualified students for enrollment in August of 2016. The District reserves the right to qualify student applicants prior to confirmed acceptance for enrollment.

Sincerely,

Dr. Anita M. Micich
Superintendent
Mason City Community School District
