PRESS RELEASE

September 14, 2017

FOR IMMEDIATE RELEASE

This week I submitted my resignation as Hancock County Attorney effective November 1, 2017. My wife and I are moving back home to Nebraska to be closer to family. This was an incredibly difficult decision for me personally. Serving as county attorney was the best job I've ever had – and may ever have again. I was fortunate to work with outstanding members of law enforcement and a group of competent and dedicated public officials and employees. I learned something new from them every single day.

Thank you to the Hancock County Board of Supervisors for giving me this opportunity and for encouraging my military service despite the many inconvenience it caused.

It was an honor and a privilege to serve as Hancock County Attorney these past four and a half years. We will miss our friends and colleagues in North Iowa a great deal.

Respectfully,

David Solheim
Hancock County Attorney
