

**TO STATE TOURNAMENT**—The four wrestlers shown above will carry Mason City Mohawk hopes into the state high school wrestling tournament Friday and Saturday at the Iowa Teachers gym at Cedar Falls. From left to right they are Bob Kennedy (120), Harold Schnarr (133), Dick Olson (154) and Eddie Kline (103). Kline, the Mohawk captain, won the 95-pound championship the past two seasons and goes into the state tourney with a string of 50 straight matches without a defeat, a tie being the only blot on the record. Kennedy's record is nine wins, three defeats and two draws for this season while Schnarr has a 7-5-1 mark and Olson a 10-4 record. Kline and Schnarr were district champs while Kennedy and Olson took runnerup honors to advance.
