## *Class of 2020*

# A special bond shared with the Class of 2020

Dear Class of 2020,

I will never forget the Class of 2020, and not just because of all that we've been through this spring with COVID-19 and school closure. The Class of 2020 is also special to me, because you are the first students for whom I have been principal from freshman year through senior year.

In the fall of 2016, I was new to being a principal and you were new to being in high school. Since then, you've grown in many ways, and I have grown with you.

While you have shown resourcefulness and resilience through the school closure, the closure does not define you and your time at Gloucester High School.

Over four years, I have talked with you in classes and hallways. I've cheered for your performances on

the stage and on the field. I've seen your work in shops and labs. I've read your articles in The Gillnetter and your poems in The Elicitor. Your teachers have shared tests and essays with me when they're proud of your growth and achievement. You have challenged me, and I have learned a great deal from you.

Although the response to COVID-19 and the school closure does not define your time at GHS, it's worth recording a few things here, so that when we look back at the spring of 2020, we can

remember what it was like.

In the last few months, you have found ways to connect virtually despite social distance. You've mastered (or are still trying to figure out) several different online learning platforms. You've participated in virtual workouts with teammates. You've worked in supermarkets and other vital businesses. You've volunteered to tutor peers, deliver supplies, make masks and bring joy. You've had good days and hard days.

I will always remember the times I've shared with you, and I hope you will, too. The Class of 2020 will always have a special place in my heart!

All the very best to the Class of 2020.

# Class of 2020, we have made many memories

To my fellow seniors,

It has been my sincere honor to be the class president for Gloucester High School for 2020.

Even though our year was cut short, we have made many memories together. We have laughed together during spirit week and pep rallies — memories that we will have with us forever. We will all remain friends as this pandemic

has bonded us in many ways.

Even though these times are tough, we are all in this together and we all hope to be able to celebrate in the future.

To the GHS Class of 2020, I wish you all luck. This has been one memorable year!
