Dynamic duo

Lucy Liu and Jonny Lee Miller as seen in "Elementary"

As Sherlock (Jonny Lee Miller, "Trainspotting," 1996) refocuses on his sobriety, he once again tackles cases with his crime-solving partner, Dr. Watson (Lucy Liu, "Ally McBeal") in the new season of "Elementary," premiering Monday, April 30, on CBS. This modern version of Sir Arthur Conan Doyle's character is set in New York, where Sherlock and Watson consult with the NYPD. Mystery solved: Long-awaited 'Elementary' returns to prime time

By Kyla Brewer
TV Media

Jon Michael Hill in "Elementary"

Detectives are a dime a dozen in prime time, but one crime-solving sleuth is worth his weight in gold. Sir Arthur Conan Doyle's iconic Sherlock Holmes has been reimagined for a new generation of fans and he's returning to the airwaves — finally.

Jonny Lee Miller ("Trainspotting," 1996) reprises his role as a modern-day Sherlock in the sixth-season premiere of "Elementary," airing Monday, April 30, on CBS. It's been a longer-than-usual wait for fans of the series, which co-stars Lucy Liu ("Ally McBeal") as Sherlock's partner, Dr. Joan Watson. "Elementary" was noticeably absent from the CBS fall schedule, and it wasn't until January, when the season premiere was officially announced, that fans could breathe a collective sigh of relief.

Few details have been announced for the new season, but at the summer CBS press tour, creator and executive producer Robert Doherty hinted that the upcoming season may feature the return of someone from Sherlock's past.

"With respect to Sherlock, we're working hard to see an old flame come back to the show," Doherty said.

Industry pundits have speculated that that flame could be Moriarty, played by Natalie Dormer ("Game of Thrones"), but so far the show's cast and crew have remained mum on the subject. As for now, fans can be assured that both Miller and Liu will return to their roles as Sherlock and his sidekick, Watson, who was hired as Holmes' sober companion after the brilliant Scotland Yard consultant's stint in rehab.

They may be back, but it'll be anything but smooth sailing for prime time's dynamic duo. At the end of last season, Watson put everything on the line and made a proverbial deal with the devil when she approached nefarious thug Julio "Halcon" Zelaya (Jon Huertas, "This Is Us") to help her bring a killer to justice. While she seems to believe her debt to the gangster has been repaid, it may not be that simple.

"Halcon may not see it the way Joan sees it," Doherty teased in a June interview with Entertainment Weekly. "He may think she owes him a favor, not the other way around. Gang leaders are funny that way."

While Halcon may cause some trouble for Watson, he may not be the only character to shake things up this season. In July, it was announced that Desmond Harrington ("Dexter") would join the cast as Michael, a fellow recovering addict who offers support to Sherlock in his time of need. Fans may remember that the sleuth has been experiencing memory lapses and hallucinations involving a mysterious woman, and his health problems have put a strain on his relationship with Watson because he doesn't want to burden her. As a result, he's forced to look elsewhere for support. Michael claims to want to help Sherlock because he was inspired to get sober thanks to something Sherlock said to him when they met long ago. However, rumors abound that Michael may have ulterior motives for approaching the police consultant.

The season 6 cast also includes series regular Aidan Quinn ("Legends of the Fall," 1994) as Capt. Thomas Gregson of the NYPD, who often pulls in Holmes and Watson as consultants to crack tough cases. One of Gregson's colleagues at the 11th Precinct is Det. Marcus Bell (Jon Michael Hill, "Detroit 1-8-7"), who's frequently paired with Holmes and learns a great deal from him.

Unfortunately, Holmes may have to take some time off from consulting to focus on his health this season. At the end of season 5, he underwent a brain scan to investigate the cause of his neurological issues, and the test revealed that he may have a brain tumor. His health troubles are just the latest in a long list of challenges faced by the famed detective. Over the course of the first five seasons of the show, he's tackled some formidable foes, not the least of which are his addictions.

Miller's portrayal of the iconic character has earned him high praise from critics, as well as a Satellite Award nomination in 2012. Liu has also been honored with a number of accolades for her work on the series, including three People's Choice Award nominations and a 2013 Teen Choice Award win. "Elementary" was nominated for a 2012 People's Choice Award in the Favorite New TV Drama category, and has since snagged two Emmy nods, multiple Prism Award nominations and much more. The show's success is particularly sweet because it was the subject of scrutiny from fans of the BBC's "Sherlock," which was also a contemporary take on the classic character, played in that series by Benedict Cumberbatch ("Doctor Strange," 2016).

TV fans seem sufficiently satisfied that the two shows are distinct, as "Elementary" has proven to be a hit, despite a dip in the ratings for season 5. This may be why things looked a tad grim for season 6 of the CBS series, as the network initially ordered only 13 episodes. As luck would have it, CBS extended the episode order, bringing the season 6 grand total to 21 episodes of the mystery-drama.

Find out what's in store for Holmes and Watson in the season premiere of "Elementary," airing Monday, April 30, on CBS.

Peter Rabbit

After his uncle's death, Thomas McGregor (Gleeson) moves into his old house and begins refurbishing it in the hopes of selling it for a nice profit. First, though, he has to deal with the pesky wild animals that run rampant through the garden, including the annoying Peter Rabbit (Corden), who loves nothing more than digging up and eating all of the fresh vegetables. The war between man and rabbit gets personal, though, when Mr. McGregor begins to develop feelings for his neighbor, a beautiful young artist named Bea (Byrne), with whom Peter has his own warm, friendly relationship that quickly spirals into jealousy.

Director: Will Gluck. Stars: James Corden, Domhnall Gleeson. 2018. 95 min. Animation.

Winchester

Sarah Winchester (Mirren), the widow of a highly successful gun manufacturer, inherited a vast fortune when her husband died, but she believes that she is haunted by the ghosts of those whose lives have been taken by Winchester weapons. In her paranoia, she has construction crews constantly working on her mansion, building a haphazard maze of rooms, doors and staircases that make little sense, prompting the Winchester company to hire a doctor (Clarke) to evaluate her sanity.

Directors: Michael Spierig, Peter Spierig. Stars: Helen Mirren, Jason Clarke. 2018. 99 min. Horror.

Bigger in Texas: New series 'Dallas Cakes' joins Food Network's Monday lineup

By Andrew Warren
TV Media

Sometimes, you can have your cake and eat it, too. OK, so you might have to bake (or buy — I won't judge) your own, but if it's just cake-focused TV shows you're looking for — or, really, any sweets for that matter — then Monday nights on Food Network sure have you covered. Every week gets off to a sweet start with a night of dessert-filled shows, and this week's new episodes of "Spring Baking Championship" and "Vegas Cakes" are welcoming a new arrival.

"Dallas Cakes" joins Food Network's Monday night lineup on Monday, April 30, bringing the city's signature larger-than-life grandeur to the baking realm. They say that everything is bigger in Texas, and the cakes on display here definitely give that old idiom a whiff of truth. Each episode finds three of the city's most talented bakers creating edible art from flour, sugar, eggs and icing, with cameras following along for the entire process, from conception to delivery to the customer.

In this week's premiere, a groom wants nothing more than a "Game of Thrones"-themed cake for his special day, and the result — an intricately detailed Iron Throne complete with a sculpted ice dragon — is so beautiful that someone could lose their head. Then, a block party celebrating the Chinese New Year wants a cake that really captures the celebration's spirit — and the bakers deliver a confection that even smokes!

Finally, the Fort Worth Stockyards Championship Rodeo is celebrating its 100th anniversary, and a milestone like that deserves a one-of-a-kind cake. With 24 layers of coffee cake molded into what might be the world's largest edible belt buckle, the real challenge is transporting the gargantuan dessert from the bakery to the arena without it falling apart.

Things don't get any less over the top in next week's episode. With an incredibly lifelike five-foot-long alligator, a massive police badge celebrating one of Dallas's finest, and even a realistic giant golf cart all being put together, the cakes on display here really are works of art worthy of their own TV show.

Hollywood Q&A

By Adam Thomlison
TV Media

Q: Who is the voice of Gossip Girl in the show?

A: As a primer for the unfamiliar, the premise of the smash-hit teen series "Gossip Girl," which ran from 2007 to 2012 on CW, was based around posts by a fictional blogger named Gossip Girl. Her posts ostensibly revealed the secrets of a generation of rich New York teens — secrets that formed the actual plot of the series, since those teens made up the show's main cast. Gossip Girl herself was a voice only (well, the big reveal at the end of the show's sixth and final season expands on that, but I won't give away the details).

It was, however, a famous voice — Kristen Bell's.

Bell's own CW show, "Veronica Mars," ended the year "Gossip Girl" debuted, so she was already a well-known actress, particularly among the network's audience. Despite that, it's not surprising that you didn't know it was her, since she was never credited in the role.

Perhaps the network was banking on word-of-mouth to reveal it and generate a bit of extra buzz for the show, or perhaps it assumed everyone would recognize her voice. Indeed, she's since become known for it, as the biggest role of her career — by a longshot — was also a voice-only gig: Anna in Disney's mega-super-hit 2013 cartoon "Frozen."

There's more of Gossip Girl than Anna in Bell's other most famous role, as star of the NBC hit "The Good Place." She plays a selfish young woman who tries to redeem herself in the afterlife, and it's far funnier than it sounds.

Q: Any info on when Tom Hardy's "Taboo" is coming back?

A: I have it, but you might not want to hear it. The show works on British time, which runs at about half American time, so as things stand, we're looking at early 2019 for the season 2 premiere.

In an interview with Den of Geek in May of last year, creator and writer Steven Knight said he was "trying to write it as quickly as [he] can."

With that in mind, he predicted that filming would begin early this year, which in turn led to predictions that the new season would air towards the end of 2018.

However, there are no reports of filming having begun (and there would be — this is a very high-profile series), which means the end-of-this-year prediction is pretty well shot. That makes it more like early next year, if everything else goes well.

Of course, that might have been the plan all along. The late-2018 number was just a hope/prediction, but if it airs in early 2019, it would fall in line with the first season, which aired in January and February 2017.

That is, season 2 would air exactly a year later than North American fans would have expected it to.
