

# ATHLETES OF THE MONTH

**ANDREW TROSIEN, DDS, MS, Inc**  
SPECIALIST IN ORTHODONTICS

## TRACY

**Jessica Taylor**

Senior, girls soccer

Jessica has distinguished herself as the Bulldogs' offensive leader with 10 goals and six assists so far this season against some very good competition. On top of her offensive statistics, she contributes defensively through her work ethic out of the center midfield position, making her an asset on both sides of the ball.

**Jesus Flores**

Junior, boys soccer

Jesus is a third-year varsity player and a team captain as a junior. Jesus has played stellar defense at center back, contributing to the Bulldogs' overall record of 9-2-2 — 4-1-1 in the Tri-City Athletic League — as they hold first place midway through the league season.

## WEST

**Greg Vioria**

Senior, wrestling

Greg is an inspiration for the Wolf Pack wrestling team. He is a three-time state qualifier and is on a pace to return to this year's California Interscholastic Federation championships, with gold medals from four of the six tournaments where he has competed so far this year.

**Kiera Hupman**

Junior, girls soccer

For the Wolf Pack, everything starts with Kiera, a midfielder and the team's leader on offense with seven goals and five assists. When she's not directly involved in West's scoring attacks, she is the catalyst on offense and also stops counterattacks from her position.

## MILLENNIUM

**Mayla Escobar**

Sophomore, girls soccer

Mayla is one of the strongest defenders on the Falcon team and can always be counted on to step up and give her all. She is dedicated, resilient and willing to fill in wherever she is needed. Mayla is respected and admired by all her teammates.

**Colton Duke**

Sophomore, boys basketball

Colton was brought up to the varsity team as a sophomore and continues to show growth and improvement as an individual and as a valuable member of the team. He learns the plays and is receptive to instruction from his coaches. He also represents the Falcon team well off the court, maintaining a 3.0 GPA.

## KIMBALL

**Brittney Hudson**

Senior, girls basketball

In her second year as a varsity player, Brittney averages 12 points per game. As the Jaguars' co-captain, she has taken a bigger role in preparing the team for each game and practice. As a veteran, she helps her teammates adjust to the varsity level. Brittney is the definition of a true athlete and scholar.

**Matthew Oli**

Junior, boys basketball

Matthew Oli is an outstanding shooter with one of the highest basketball IQs on this young Jaguar team. Since suffering a broken nose in November, Matt has averaged 11 points a game and has made a positive impact for the team. Matt is a pleasure to coach and will continue to be a team leader into his senior year.

## DELTA CHARTER

**Isayah Cavanaugh**

Freshman, boys soccer

A new player for the Dragons, Isayah is already one of the team's offensive leaders. As Delta Charter's starting forward, he scored against Mountain Oaks and Holt Academy in the opening games of Mountain Valley League play. He plays the position with great confidence and proficiency, demanding respect from the defenses he has faced.

**Maya Lopez**

Senior, girls soccer

Maya is in her third year of soccer at Delta Charter High and is a great leader. Maya is one of those students who will pick up a fellow player who is down, and she is great at motivating the team during conditioning, practices and games.

## MOUNTAIN HOUSE

**Alejandro Perez**

Senior, boys soccer

Alejandro has played at an extraordinary level for his varsity soccer team. As a team captain, he consistently demonstrates leadership on and off the field. He is at the top of the team in terms of goals and assists. During the game against Hughson High on Jan. 16, he scored a goal and provided an assist to help the team get its first Trans Valley League victory.

**Carley Lucero**

Junior, girls soccer

Carley has scored five goals and notched four assists this year, helping her Lady Mustangs move into second place in the Trans Valley League. Coach Troy Dayak says that Carley plays at a high skill level at midfield as she competes year-round with West Coast Soccer.

Athletes of the Month are selected by high school coaches and athletic directors and are published in the Tracy Press each month. To learn more, email [brownne@tracypress.com](mailto:brownne@tracypress.com) or call 830-4227.

It's not how you start, it is how you finish
