TUESDAY

Tuesday morning second headquarters were opened up at Millers Country Restaurant to get closer to the disaster area in Jefferson Township. Chief Deputy Salisbury was in charge along with state unit.

WEDNESDAY

Third headquarters were opened up at Baugo Township Fire Department operated by Deputy Dick Walker and state unit.

Wednesday a.m. the County Farm was opened up manned by a county employee. At the peak period we were using 4 bull dozers to keep shoving back as dump trucks were bringing debris in. President Johnson arrived at the disaster area around 9:30 a.m. We showed ~~THURSDAY~~ him the Sunnyside Addition and our headquarters in Dunlap.

THURSDAY The two men in charge of toll road heavy machinery (superintendent and his assistant) were put in charge of cleaning up in the area of the Sunnyside Addition with Deputy Swartz working with them along with State Police Sgt. Sallows.

General Anderson came in by plane and made a tour of the area. He gave permission to his Major Lawson that the National Guard would secure when the Sheriff gave the order. At this time we expect to secure the National Guard at the end of the heavy traffic period, Sunday p.m.

FRIDAY

We were still on clean-up detail and had a bad traffic problem between 2:00 and 4:30 p.m.

SATURDAY

At 8:00 a.m. I had an appointment with Major Lawson and two captains working this area from the National Guard to make preparations for working heavy week-end traffic which we were anticipating. Also present were Chief Kestler and Chief Kintigh, Lt. Peters and myself. At 10:00 a.m. I had an appointment with County Commissioners at their office along with all the trustees of the various townships effected by this disaster. Also attending were Dr. Martin of the Health Department, Superintendent Eaton and Lt. Peters, and myself.

The main thing discussed was man power, equipment, surplus food, sanitary facilities, water testing, medicine and drugs and shelter.

Sheriff Woody Z. Eaton
