THE GOSHEN NEWS

FEBRUARY 2023

OVER 115,000 VOTES!

WOW! WHAT A YEAR!

The Goshen News in partnership with our advertisers and readers celebrated another amazing year of **2023 BEST OF THE BEST**. Once again readers throughout Elkhart, LaGrange, Noble and Kosciusko counties nominated and casted the best businesses our communities have to offer.

Through the combination of online and print participation from our readers, we recorded more than 4,500 nominations and a record-breaking 115,000 votes for the winners and runners-up listing in this special section.

Each business, organization or professional listed throughout this year's publication truly deserves to earn the title, Best of the Best. These have earned readers' votes through hard work, excellent customer service and great products.

We thank our readers for their participation. We congratulate all of our winners, runners-up and all of the businesses nominated and recognized for superior business practices.
