Nature: Tornado Disaster Report

Subject: Activity Report

Vech. Used: County Car # 42

Damage & Loss: None

Summary: I was at 2100 Home Acres, Goshen, Indiana when T.V. gave second tornado warning. I started for my squad car when the jail rang my phone advising that the storm had hit Midway Trailer Park in the Dunlap Area. I came to the jail to see if any supplies were needed. While there, the Goshen News called and asked what we had? I told them a tornado had hit the park. I then left for the area and arrived after the sheriff's and State Police cars. Traffic was beginning to arrive very heavy so I then went to Kundred Crossing (CR 28) and U.S. 33 in order to control the incoming flow of vehicles. All types of ambulances and emergency equipment were arriving to ask where to go. I was at this intersection till about 11:15 p.m. After that, I went to the Jefferson Area and SR 15 & U.S. 20. I was there till about 3:30 a.m. and then to control station in Dunlap.
