1 (one) pr. uniform boots soles and sides damaged by water.

Summary: I was at home at 2000 W. Wilden Ave. , Goshen, Ind. and heard sirens going by the house. I telephoned the Jail and was instructed to report to Midway Trailer Park at once; this was approx. 6:30 PM. I arrived at the scene at approx. 6:40 PM. I worked at the Midway until after the second Tornado struck the Sunnyside Section of Dunlap then came up there with Trooper Jim Smith, working the North end of County Road 13 at Florence. I then left with Deputy Berry and went to County Road 117 after we recieved a report that two elderly people were trapped in their basement. We searched the area and could find nothing. We then went to County Road 17 looking for people and found two fifty cal. machine guns and two morters in the basement of Dr. Garver res. We brought these to the jail for safe keeping. I then returned to the Sunnyside area and Sheriff Caton instructed Deputy Doncilevic and me to check for looters as we had recieved reports of looting. We checked until 2:30 AM. when we were instructed to return to the Jail. Deputy Gentzhorn and I then went out and got my car and some guns I had from Midway Trailer Park and brought the guns back to the Jail and tagged them. Then Deputy Gentzhorn and I went out and patrolled until 6:00 AM when we met at Concord fire station and were assigned to the Midway Rest. at SR15 And US20 for clean up. I worked there until 1:00 PM and then came back to Headquarters where I answered the phone and gave passes until 9:30 PM. I then went home and reported back to Headquarters at 7:30 AM and worked on the phones until 11:30 PM; I then patrolled until 1:30 AM. and went home. I was called at 5:30 AM and told to report to the Jail by 6:00 AM . I reported and was assigned to County Roads 13 & 45 for traffic duty when the President Came.

Phil Stump
